04(b) South East Fife Woods LMP Pitcairn Future Species

Author: Sandy Davidson

Scale @ A3: 1:10,000

Date: 08/08/2024

Legend

Land Management Plan Area

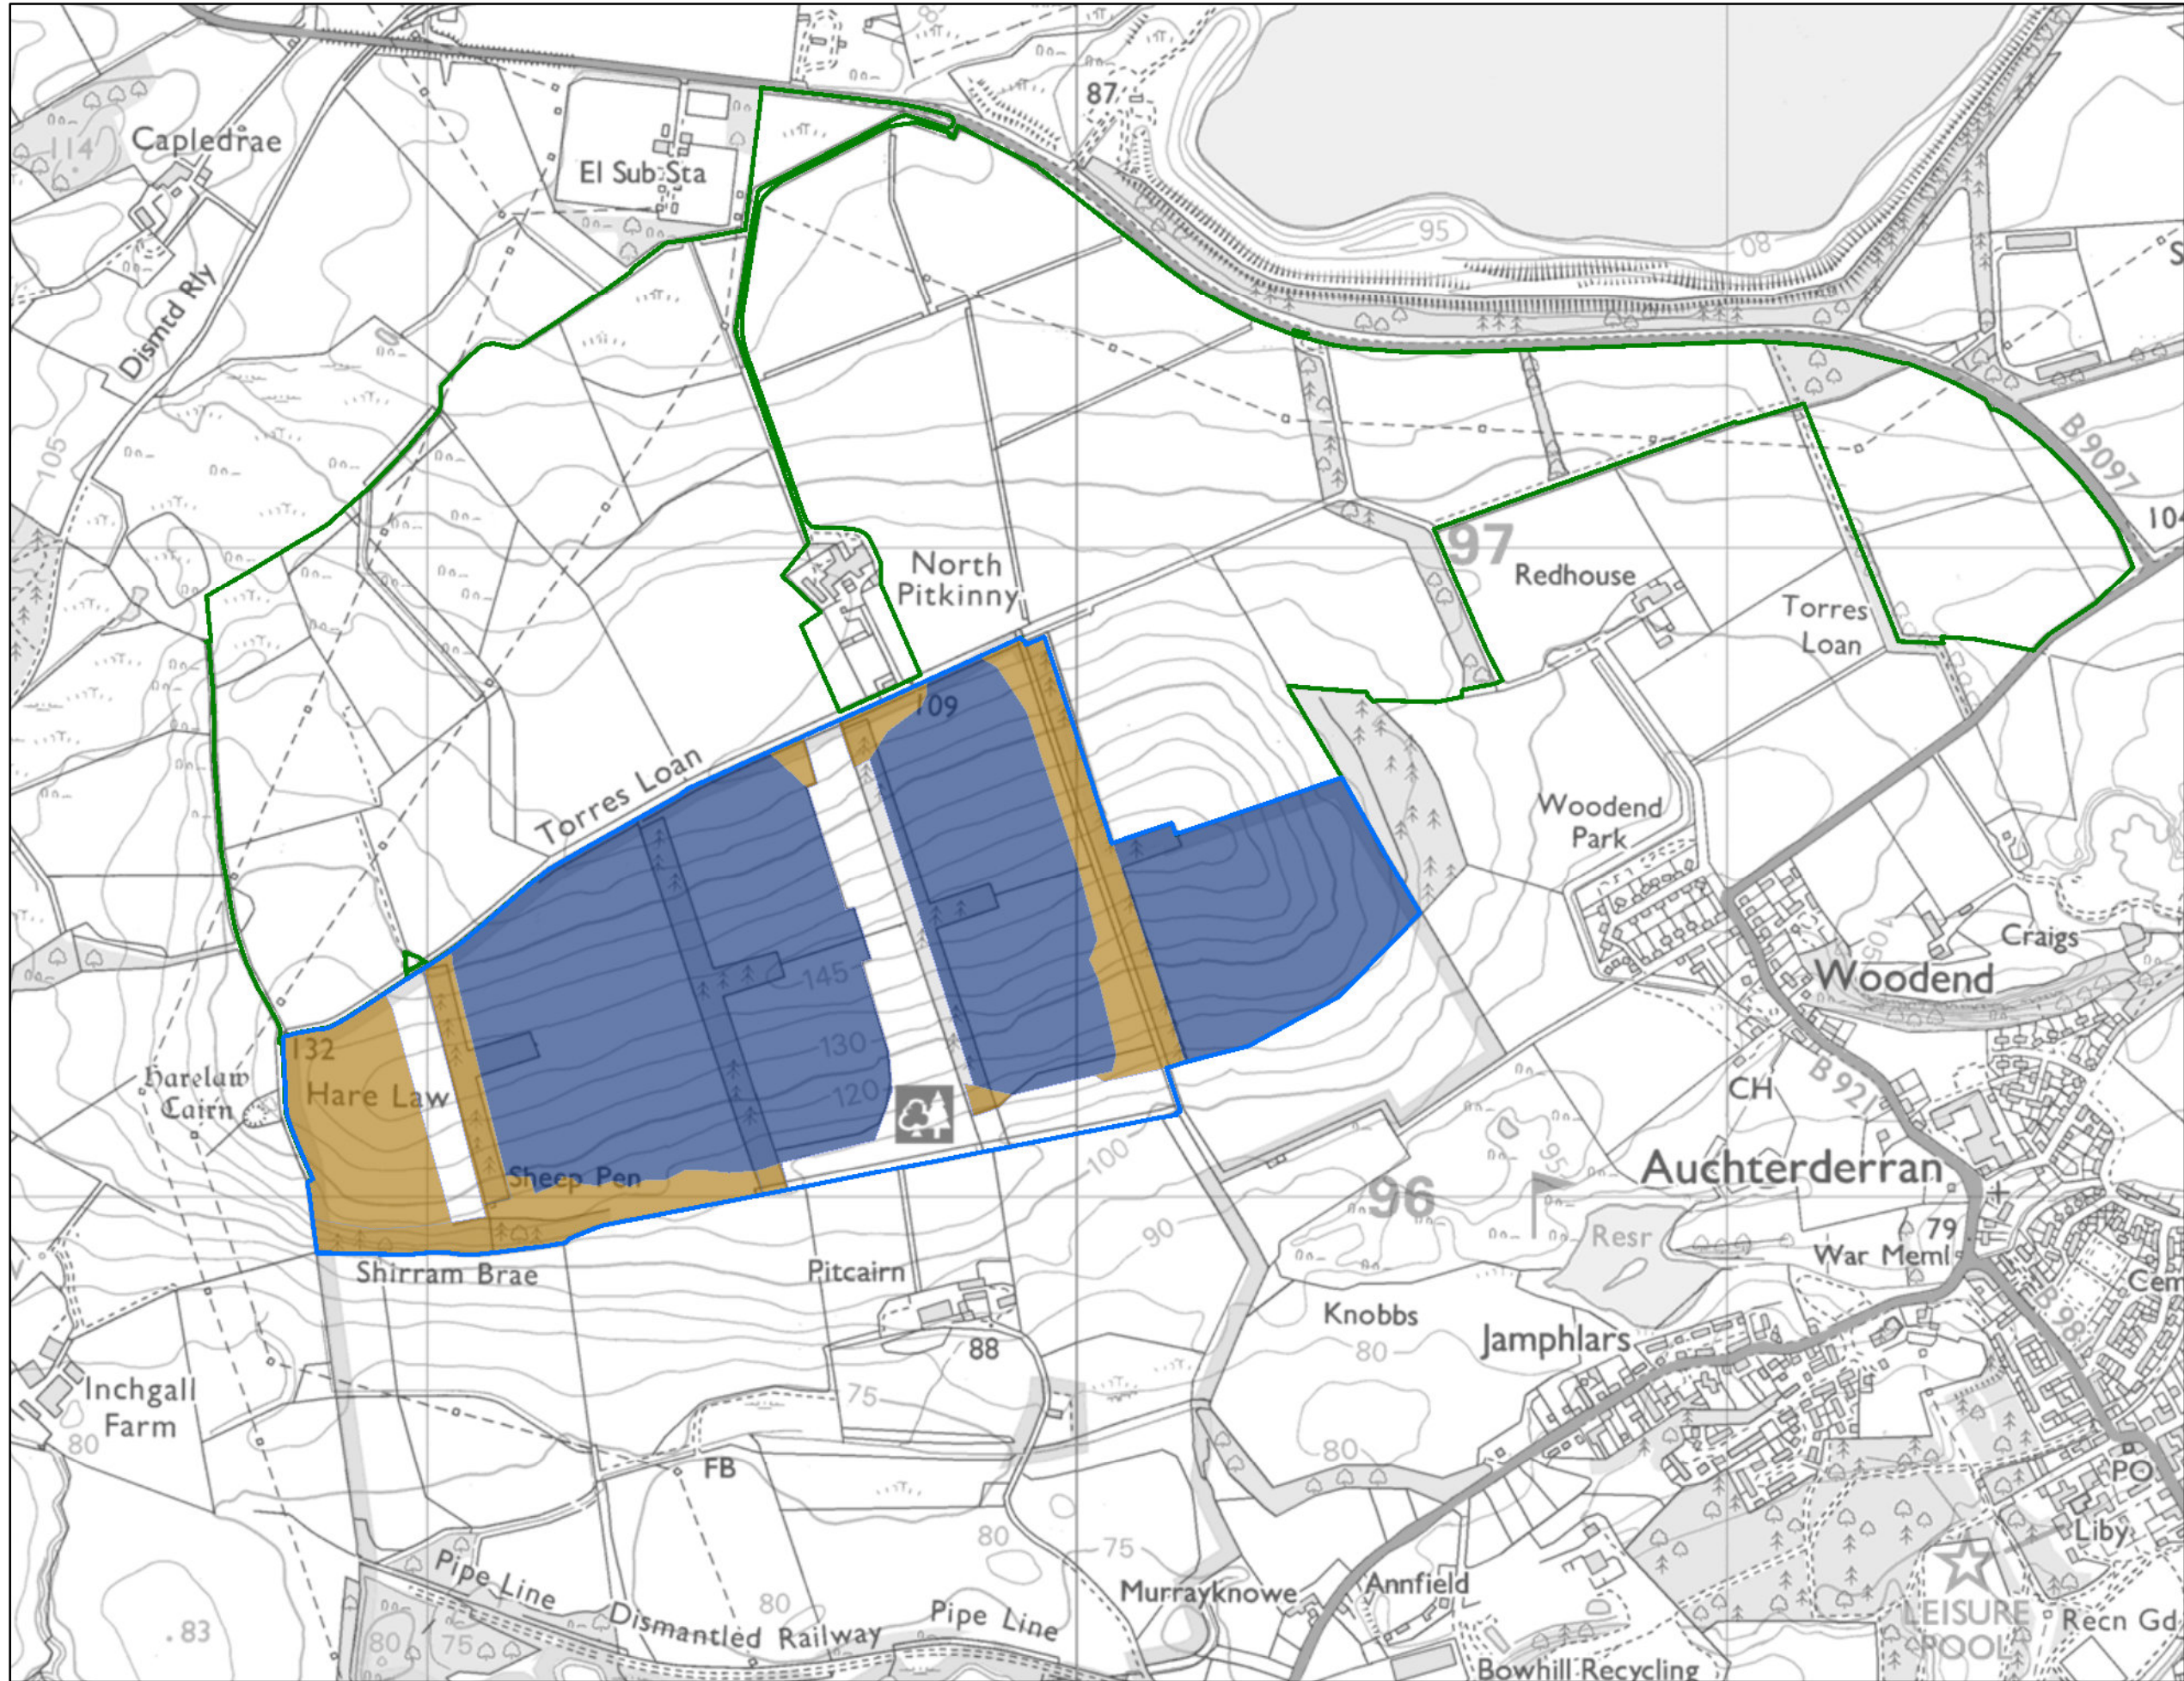

FLS land outwith LMP area

Indicative Future Species

Conifer

Mixed broadleaves

This map shows a possible future species design for Pitcairn. No replanting is currently proposed for this site over the next 10 years, however elements of this design may be implemented should any additional felling be required, for example due to infections by Phythophthora ramorum.
