

Map 10 Landscape

Author: Chris Marsh

Scale @ A3: 1:50,000

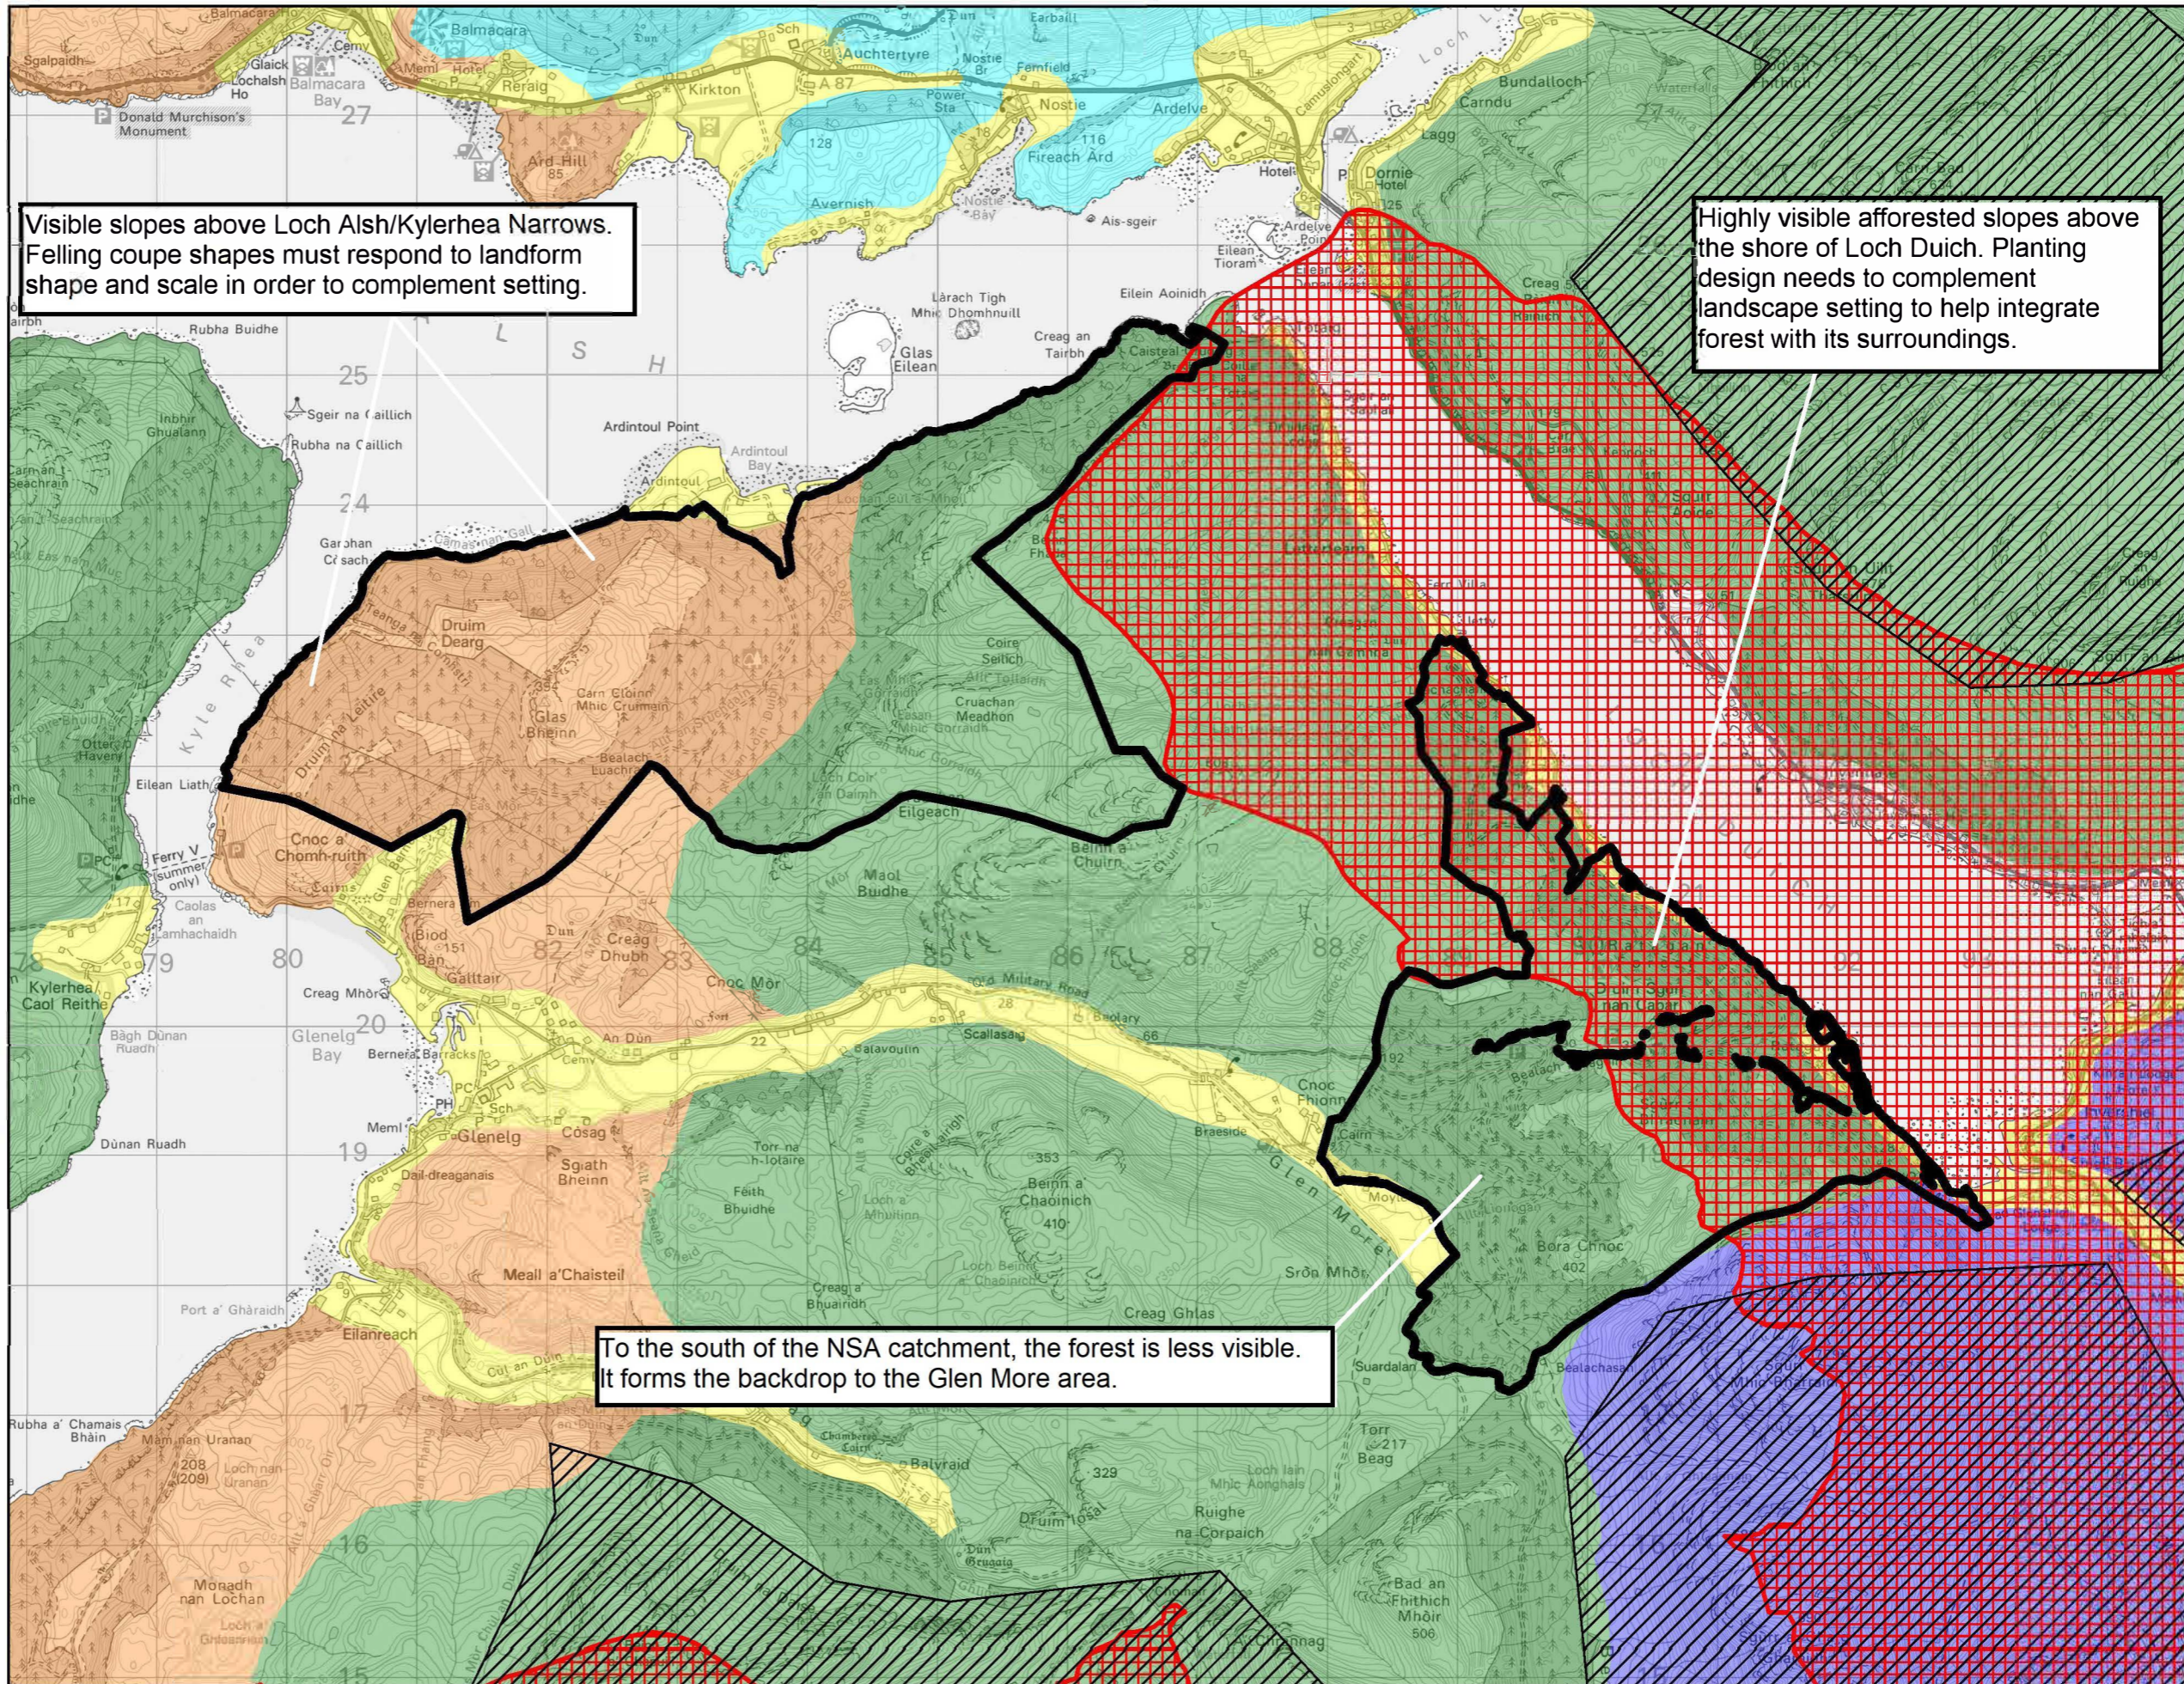

Date: 20/05/2024

Legend

-  Glenelg Peninsula LMP Area
-  Wild Land Areas
-  Kintail National Scenic Area

Landscape Character Assessment Areas

-  Farmed & Settled Lowlands
-  Rugged Coastal Hills
-  Rugged Massif
-  Rocky Moorland
-  Interlocking Sweeping Peaks

Visible slopes above Loch Aish/Kylerhea Narrows. Felling coupe shapes must respond to landform shape and scale in order to complement setting.

Highly visible afforested slopes above the shore of Loch Duich. Planting design needs to complement landscape setting to help integrate forest with its surroundings.

To the south of the NSA catchment, the forest is less visible. It forms the backdrop to the Glen More area.
