

ID	Name	Completion Status	Event	Position (if applicable)	Category (if applicable)	City or location	Proposal/Comment
1	8/24/21 21:33:40	answ					Good proposal on active street for access
2	8/25/21 0:03:20	answ					Fantastic opportunity for local children, adults & visitors to enjoy the benefits of an all purpose area. To learn & have new skills. An area to meet & communally enjoy MTBing.
3	8/25/21 0:45:30	answ					Been in the queue for quite these bike trails. Would be superb if it happened exactly what I need!
4	8/25/21 7:35:38	answ					This looks like a fantastic facility which will encourage people of all ages to exercise outdoors
5	8/25/21 8:38:48	answ					Yes
6	8/25/21 8:20:12	answ					Yes
7	8/25/21 8:31:04	answ					Yes
8	8/25/21 8:41:14	answ					Yes
9	8/25/21 8:54:45	answ					Amazing opportunity for our island children to develop skills and enjoy the outdoors.
10	8/25/21 9:04:50	answ					This would be an excellent facility for the young people of Arnan. A great opportunity for them to be out in the natural environment, learning new skills.
11	8/25/21 9:05:44	answ					Great idea for the use of land, will encourage healthy habits and skills for kids.
12	8/25/21 9:18:18	answ					This facility would offer youth and visitors of all ages a unique experience. What an amazing idea and have no doubt that everyone will love and use it all the time. Well done!
13	8/25/21 9:30:26	answ					Yes
14	8/25/21 9:31:15	answ					Yes
15	8/25/21 10:01:57	answ					Fantastic opportunity to create an amazing facility that will enhance and benefit the community. This get my full support.
16	8/25/21 10:08:38	answ					Yes
17	8/25/21 10:48:32	answ					Yes
18	8/25/21 10:49:11	answ					Yes
19	8/25/21 11:03:36	answ					Yes
20	8/25/21 11:38:07	answ					There has been a massive increase in mountain biking over the past few years, and this can only be seen as a positive.
21	8/25/21 16:39:53	answ					Yes
22	8/25/21 17:38:42	answ					Yes
23	8/25/21 17:48:39	answ					Yes
24	8/25/21 17:44:24	answ					Yes
25	8/25/21 17:58:30	answ					The new proposed facilities would very much help the excellent Arnan High school MTB club to further develop. It will also be a great opportunity to attract new club riders as well as providing a great cycling facility for the communities on Arnan. I can visualise the area becoming a social cycling hub with many benefits.
26	8/25/21 18:08:16	answ					Yes
27	8/25/21 18:38:44	answ					Brilliant project that would highly benefit the community of Arnan by encouraging more people to get outside and get active in nature. This is a well planned project that considers the needs of other forest users and the need for more activities especially for young people on the island.
28	8/25/21 18:40:49	answ					Great idea and a great proposal for the community. Will help to encourage more youngsters to access the outdoors and keep fit.
29	8/25/21 18:43:30	answ					Yes
30	8/25/21 19:00:27	answ					Yes
31	8/25/21 20:09:30	answ					This will provide an excellent opportunity for all skills levels and to build confidence in MTS and indeed all types of cycling
32	8/25/21 20:14:59	answ					Yes
33	8/25/21 21:08:21	answ					Fantastic idea
34	8/25/21 21:19:13	answ					Yes
35	8/25/21 23:37:31	answ					What a wonderful proposal from younger members of the community to provide something not just for themselves but for the whole island to benefit from. Well done all involved.
36	8/25/21 24:45:51	answ					Yes
37	8/25/21 23:36:41	answ					Amazing opportunity for a fantastic resource for the community. This will provide the children at the school and the entire community and beyond a superb, purpose built facility to encourage outdoor activities. Physical, social and educational experience for all benefiting the whole island and putting great use to the land. Arnan High School Mountain Bike Club has proved itself to be inclusive, dedicated and passionate about what they do and this is an exemplary example of their passion for success. Well done!
38	8/26/21 7:01:03	answ					Fantastic addition to Arnan for both adults and children
39	8/26/21 7:09:38	answ					Yes
40	8/26/21 9:41:13	answ					Yes
41	8/26/21 9:38:38	answ					Yes
42	8/26/21 11:49:21	answ					In the future could you make a trail map of the surrounding area and charge from the buildings somehow to get a bit of revenue for trail maintenance
43	8/26/21 14:05:54	answ					A fantastic proposal. It has the potential to bring real benefits for residents and visitors. Active travel is mentioned, but it would be good to make sure this is really emphasized, and drive-to-bike travel minimized. Other suggestions would be a safe cycle route from brock to lemaish, allowing ferry link up, and smoothly to carry bikes on buses (or have a shuttle). Appreciate these are beyond the scope of this proposal, but would help Arnan become a car-free destination for cyclists, as well as helping local families use facilities.
44	8/26/21 14:12:08	answ					The Dymott Skills Trail will be a fantastic addition to the outdoor education offering on Arnan. What a great tourist attraction too. Only have great things to say about this project, well done everyone who is involved.
45	8/26/21 17:41:28	answ					Loving the broad scope and ambition. It is possible to build on plans for apprenticeships offering young people opportunities to develop skills in associated professional fields of work?
46	8/26/21 21:25:39	answ					Undecided Concerned about light pollution from floodlights, trust they won't be on all night.
47	8/26/21 21:48:36	answ					Yes
48	8/27/21 7:36:14	answ					It looks fantastic. I would use it. It would be an addition to the island. It's not in the way of any existing trails for walkers. Love it.
49	8/30/21 14:50:24	answ					Brilliant idea for the whole community, multi generational and a wide range of skilled learning possibilities for all the young people, in a safe controlled space, doing something they all love. Utilising an underused area in an environmentally, future proofed plan, we think it is a fantastic idea and if aranmount.com, your community radio, can be of assistance please get in touch we would love to help you in your endeavours.
50	8/30/21 14:50:24	answ					Yes
51	8/31/21 13:47:30	answ					Great idea!
52	8/31/21 13:47:30	answ					Yes
53	8/31/21 13:49:38	answ					Yes
54	8/31/21 13:50:45	answ					Yes
55	8/31/21 13:57:39	answ					Looks like a great way to get young people engaged with outdoor activities.
56	8/31/21 14:08:17	answ					Good to have facilities that are comparable if not better than are available on mainland such as Seven Stanes.
57	8/31/21 14:36:43	answ					As a very frequent visitor over the last 20 years with children who have been coming to the island 3-6 times a year (with 2 boys now aged 10 and 13) this would be an amazing facility to offer locals and visitors alike
58	8/31/21 15:05:54	answ					100% a great idea.
59	8/31/21 15:05:54	answ					Not before time the Arnan community had somewhere for kids to practice their bike skills. Seems like a worthy project and there should be more on the island.
60	8/31/21 15:18:37	answ					This is a brilliant use of the proposed area. Involving the island community, young and old can only lead to good things. It is an excellent proposal, encouraging young people to be active, and involved.
61	8/31/21 17:32:14	answ					Yes
62	8/31/21 18:38:38	answ					Yes
63	9/2/21 8:54:22	answ					Yes
64	9/2/21 8:57:09	answ					Yes
65	9/2/21 8:57:09	answ					This is a fantastic initiative that will benefit residents and visitors. Young people on islands face significant challenges to access facilities and develop skills when they develop an interest in an area such as biking and this will help. It is great that it is accessible and there is a real need to show how active living and transport can be achieved. There is a lot of community support for this initiative and it will build on this base.
66	9/2/21 9:05:50	answ					The proposed project must happen and can only enhance Arnan's reputation for mountain biking and the associated skills. Visitors to the island are always asking about mts trails and the development will be a real feature for the island. Have you thought about day passes, membership etc. to generate funds for maintenance of the site and for future plans? Good luck and we look forward to future news.
67	9/2/21 11:14:58	answ					Yes
68	9/2/21 15:13:47	answ					All looks brilliant to me. Well done Arnan High school mountain bike club
69	9/2/21 20:57:45	answ					Great idea to promote health and well-being and make sport completely inclusive! Well done!
70	9/2/21 9:15:11	answ					This is a fantastic opportunity for the island of Arnan, I sincerely hope that they receive the backing and support for this ambitious project both financially and physically. This has the potential of becoming a world class facility in one of Scotland's most popular tourist destinations, it's a win win for everyone, I would hope that the people leading this project are fully supported by NAC, Sport Scotland and other partner agencies in their desire and dedication to bring this wonderful opportunity to life.
71	9/2/21 11:27:21	answ					Through the facility for members during the day? Free use of the facility for the public seems unnecessary. Why could tourists not pay as they would for skiing, golf, tennis or any other sport? If family blackboards would not be suitable as a mountain bike trail?
72	9/3/21 11:26:29	answ					I think this sounds like a great idea, for residents and visitors - I wish I could get to look at the details of the proposal, but haven't located a link for it yet.
73	9/3/21 19:31:32	answ					Undecided I am undecided following cherry views of the minuscule map and attempting to identify your proposal relative to existing walks and trails. I would like to see more clarity in the map and map reference and showing in better detail / scale the existing foot paths that run both sides of the burn up to the wee hachan and deserted village.
