[REDACTED] and I are writing in support of the asset transfer to Aviemore and Glenmore Community Trust. We are writing as frequent visitors to the area, owners of a holiday let and future residents. Asset transfers to communities put the management and future development of areas into the hands of those who know best how to represent and meet the needs of the community and of those who travel to it. AGCT have worked hard to turn a great idea into a realistic project. We are very much in support of the proposal. Yours sincerely [REDACTED]
