Glenmore Visitor Centre

As an elected member for Badenoch and Strathspey, I wish to offer my full support to the application for the Community Asset Transfer of the Lease (and eventually purchase) of the Glenmore Visitor Centre, submitted by the Aviemore and Glenmore Community Trust AGCT.

It is important to recognise the work and commitment and success delivered over the years by the AGCT, I feel this proposal is something the team understand and will be able to deliver successfully.

If I can be of any assistance I would be delighted to help.

Yours sincerely,

CLLR Muriel Cockburn - Elected Member

Councillor Badenoch&Strathspey
